

Juslink

SHANGHAI AUTEX

UNSW WIL PROGRAM

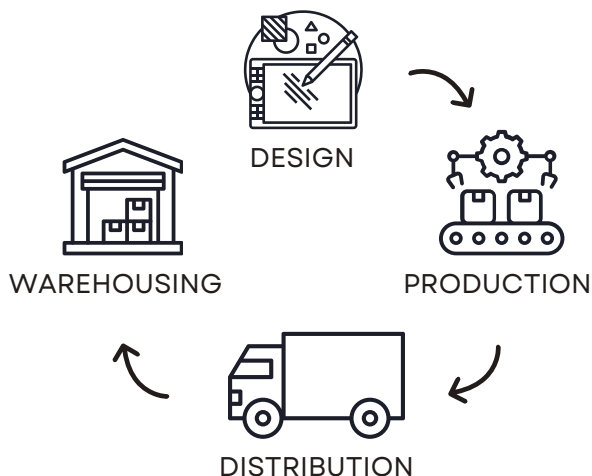

COMPANY OVERVIEW

Juslink is a leading global home-textile design and supply chain company based in Sydney, Australia. Since founding more than 35 years ago in 1993, Juslink has been selling to more than 20 countries internationally, including Australia USA, UK and Europe.

Juslink runs an Australia leading design and art studio, where beautiful hand-painted and digitally created designs are at the heart of our product offering. Globally, we have more than 140 staff located across 9 locations and 6 countries.

PRODUCTION PROCESS

The production process oversees the design, production, packaging, distribution, warehousing and inventory management of a product. This ensures high levels of quality, consistency and customer satisfaction is upheld.

INTERNSHIP OPPORTUNITY

Juslink is offering two students the opportunity to intern at our Auburn location, providing imperative industry experience for practicing textile designers.

ADVANTAGES

- Real time industry experience from initial brief and design through to final production
- Mentoring and guidance from experts in the Textile Design industry
- Opportunity to create designs for some of Australia's top retailers
- Access to learn from 8 in house textile designers
- Learn the technical aspects of producing fabric

OUR BRANDS

Juslink is the company behind two leading bedding brands in Australia, The Honest Label - Natural Linen and Cotton Bed Linen and Luxotic - Luxury Exotic Hand Painted Exclusive and Unique Bed Linen and Home Decor launching later this year.
